Harvesting Baskets

007670, 007671 and 007678: Nest When Empty

Promptii's harvesting baskets are meticulously designed to streamline the harvesting and processing of fruits and vegetables. Manufactured from 100% virgin HDPE material, these baskets offer exceptional durability and reliability. Key features include:

Solid or Vented Sides: Choose your basket for your specific requirements with either solid walls or vented sides.

FDA Compliant: Constructed using only FDA-approved materials, meets stringent food safety standards.

Nestable Design: When not in use, these baskets nest together efficiently, optimizing storage space.

Fade-Resistant and Durable: Promptii baskets withstand the elements, maintaining their integrity over time.

Whether you're harvesting tomatoes, cucumbers, or other produce, these versatile baskets are your steadfast companions in the field. Trust in Promptii for reliable agricultural solutions.
