

PRODUCT INFORMATION

Fruit and Mushroom Trays

AG191405, AG201604, AG201605

Nest When Empty

Rotate 180° to nest
to reduce space

The Promplii AG191405, AG201604, and AG201605 series nest and stack trays are the ultimate solution for harvesting and transporting delicate fruits, berries, and mushrooms. Manufactured from robust, industrial-grade polymers, this tote offers exceptional performance and longevity. Key features include:

Efficient Nesting: Rotating the container 180 degrees to nest.

UV Inhibitors: With added UV inhibitors, these containers are designed to reduce fading and damage caused by sunlight.

FDA Compliant: Constructed using only FDA-approved materials, meets stringent food safety standards.

Easy to Clean: Smooth interior design facilitates effortless cleaning.

Whether you're shipping, distributing, or storing goods, trust in Promplii for reliable agricultural solutions.
