Optional Lid

Protect contents from
contaminants

Colour Coding

Multiple colours for
content identification

The Promplii Jumbo Lug Container is meticulously engineered to offer both secure cross-stacking and efficient nesting when not in use, optimizing space utilization. Key features include:

Easy to Clean: Smooth interior design facilitates effortless cleaning.

Canadian-Made Quality: Manufactured from 100% HDPE materials in Canada, this container ensures longevity and reliability.

FDA Compliant: Constructed using only FDA-approved materials, meets stringent food safety standards.

Applications for the Jumbo Lug Container span various industries, including:

Food Handling: Ideal for food processing, storage, and transportation.

General Storage: Colour code for organizing and safeguarding items.

Choose the Promplii Jumbo Lug Container for robust performance and versatile functionality.
