NestPack Container

C18525 AND C18541 SERIES:

The Promplii NestPack Container is purpose-built for a range of applications, including poultry, meat, and seafood processing, as well as food service and grocery needs. Key features include:

Secure Locking Lid: The snug-fitting lid ensures spill control during product transport.

Canadian-Made Quality: Manufactured from 100% HDPE materials in Canada.

FDA Compliant: Constructed using only FDA-approved materials, meets stringent food safety standards.

Stacking: Containers can be stacked with lids, allowing for cross-stacking 5 containers per layer on a standard 48" x 40" pallet.

Nesting: When empty, the containers nest, optimizing space utilization.

Choose the Promplii NestPack Container for reliable performance and smart logistics.
