Multi-Purpose Trays:

Features/Benefits:

- Tongue-and-groove design for positive, secure tray stacking.
- Low walls for easy product access.
- Two-way or four-way hand truck entry allows for accessibility and convenient moving and loading.
- Open-grid bottom and open sides allow maximum air flow for product ventilation.
- Stack and nest within footprints to eliminate wasted space and reduce backhaul space.
- Allow full cube of trailers, reducing transport costs.
- Combine with plastic or steel dollies for easy transport.
- Molded of HDPE; will not corrode or splinter.
- 100% recyclable.
- Use with temperatures of -20° to 120° F.
