STACK AND NEST CONTAINERS

SN2416 SERIES:

The Promplii SN2416 series nest and stack tote is the ultimate solution for efficient storage, seamless distribution, and reliable shipping.

Manufactured from robust, industrial-grade polymers, this tote offers exceptional performance and longevity. Key features include:

Universal Footprint: Available in 8", 12", and 16" heights, all with the same footprint, allowing seamless integration with other containers.

Efficient Nesting: Rotating the container 180 degrees to nest.

Solid or Ventilated: Available with solid or ventilated walls and base.

FDA Compliant: Constructed using only FDA-approved materials, meets stringent food safety standards.

Easy to Clean: Smooth interior design facilitates effortless cleaning.

Whether you're shipping, distributing, or storing, rely on the Promplii SN2416 tote for dependable performance across a wide range of applications.
